)	
For Authority Pursuant to Section 214 of)	
The Communications Act of 1934, As Amended,)	
To Discontinue the Provision of Service)	

SECTION 63.71 APPLICATION OF AT&T

AT&T Services, Inc., on behalf of its affiliates, Illinois Bell Telephone Company d/b/a AT&T Illinois; Indiana Bell Telephone Company d/b/a AT&T Indiana; Michigan Bell Telephone Company d/b/a AT&T Michigan; Pacific Bell Telephone Company, d/b/a AT&T California; Southwestern Bell Telephone Company d/b/a AT&T Arkansas, AT&T Kansas, AT&T Missouri, AT&T Oklahoma, and AT&T Texas; The Ohio Bell Telephone Company d/b/a AT&T Ohio; and Wisconsin Bell, Inc. d/b/a AT&T Wisconsin, (collectively referred to herein as "AT&T") applies for authority under Section 214(a) of the Communications Act, as amended ("the Act"), 47 U.S.C. § 214, and Section 63.71 of the Federal Communications Commission's ("Commission") rules, 47 C.F.R. §63.71, to discontinue Network Reconfiguration Service ("NRS") throughout its service territory in Arkansas, Kansas, Missouri, Oklahoma, Texas, California, Illinois, Indiana, Michigan, Ohio, and Wisconsin.

As required by Section 63.71 of the Commission's rules, AT&T provides the following information:

Name and Address of Carrier:

Illinois Bell Telephone Company
Indiana Bell Telephone Company
Michigan Bell Telephone Company
Pacific Bell Telephone Company
Southwestern Bell Telephone Company
The Ohio Bell Telephone Company
Wisconsin Bell, Inc.
208 S. Akard St
Dallas, TX 75202

Date of Planned Service Discontinuance:

Effective December 5, 2018 pending regulatory approval, NRS will no longer be available for purchase by new or existing customers. Also, effective December 5, 2018, AT&T will no longer renew service agreements for NRS, and following the expiration of existing term agreements, AT&T will provide this service on a month-to-month basis until the service is discontinued, which is currently planned for September 30, 2023 or upon the expiration of the customer's existing term agreement, whichever is later. Effective July 31, 2022, AT&T will no longer accept new requests for physical changes to existing service arrangements including the upgrade or downgrade of access/port speed, installation of new service, or moves to different service addresses.

Points of Geographic Areas of Service Affected:

AT&T will no longer offer NRS throughout its service territory in Arkansas, Kansas, Missouri, Oklahoma, Texas, California, Illinois, Indiana, Michigan, Ohio, and Wisconsin.

Brief Description of Type of Service Affected:

Network Reconfiguration Service (NRS) gives customers the ability to reconfigure individual channel segments within their networks via electronic cross-connections. These segments may consist of DS3 Service, DS1 Service and DS0 Service. Customers may also reconfigure individual channels that are part of a reconfigurable multiplexed DS1 Service or multiplexed DS3 Service.

AT&T is discontinuing NRS because the management system that allows customers to reconfigure their networks operates using dial-up modem access, and the equipment that supports this functionality is at the end of its product lifecycle. The public convenience and necessity will not be impaired by the discontinuance of this service because AT&T's Switched Ethernet services can support multiple Ethernet Virtual Channels, allowing customers to redirect their traffic as needed.

Brief Description of the Dates and Methods of Notice to All Affected Customers:

Customer notices were sent via U.S. Mail on September 21, 2018.¹ Copies of this Application are being sent, first class U.S. Mail, to the public utilities commissions, governors, federally recognized tribes (if any) in the affected states, and to the Special Assistant for Telecommunications to the Secretary of Defense, as required by 63.71(a) of the Commission's rules.²

Regulatory Classification of Carrier:

AT&T offers this service pursuant to dominant carrier regulation.

¹ See Attachment A

² Section 63.71(a) directs applicants to submit a copy of the application to the Secretary of Defense, Special Assistant for Telecommunications. However, due to restructuring within the Department of Defense, that position no longer exists. Commission staff has advised that a copy of the application be sent instead to the Department of Defense Chief Information Officer.

Questions about this application may be addressed to Joshua Woodbridge, AT&T Services, Inc., Director - Federal Regulatory, 1120 20th Street N.W., Suite 1000, Washington, D.C. 20036, (202) 457-2139.

Conclusion:

As discussed above, the public convenience and necessity will not be adversely affected by the discontinuance of this service because AT&T offers other solutions. AT&T respectfully requests the Commission approve its Section 63.71 Application to discontinue this service.

Respectfully submitted,

By: /s/Terri L. Hoskins

*****SINGLE PIECE

**Important Notice Regarding Network Reconfiguration Service
Change in Service *Effective 12/5/18***

Thank you for using AT&T for your business service needs. We want to make you aware of planned changes to your Network Reconfiguration Service. Our records indicate active Network Reconfiguration Service at the Billing Telephone Number(s) (BTN) listed at the end of this notice.

Effective December 5, 2018 pending regulatory approval where such approval is required, Network Reconfiguration Service will no longer be available for purchase by new or existing customers in Arkansas, Kansas, Missouri, Oklahoma, Texas, California, Illinois, Indiana, Michigan, Ohio, and Wisconsin.

As a current AT&T customer with Network Reconfiguration Service you may retain your existing service(s) subject to the following changes in service:

- **Effective December 5, 2018, AT&T will no longer renew service agreements for Network Reconfiguration Service.** Following the expiration of your current Network Reconfiguration Service term agreement, AT&T will provide this service on a month-to-month basis until the service is discontinued (currently planned for September 30, 2023 or upon the expiration of your current term agreement, whichever is later). During any month-to-month service period, AT&T may change the rates, terms, and conditions of the service upon notification.
- **Effective July 31, 2022, Moves, Additions, and Change orders for Network Reconfiguration Service will no longer be accepted.** After July 31, 2022 new requests for physical changes to your service including the upgrade or downgrade of access/port speed, installation of new service, or moves to different service addresses will not be provisioned.

AT&T offers AT&T Switched Ethernet as a replacement service for Network Reconfiguration Service, as AT&T Switched Ethernet can support multiple Ethernet Virtual Channels, allowing customers to redirect their traffic as needed. To help ensure service continuity, **it is recommended that you transition to AT&T Switched Ethernet or an alternate service arrangement by June 1, 2023.**

Your AT&T Service Representative will be in contact soon to begin discussions regarding alternate solutions that meet your business communication needs.

If you have questions concerning the above please email mk3971@att.com so we may assist you in this transition.

(Over)

We appreciate your understanding and look forward to serving your future business needs.

Sincerely,

Maria King
Sr. Product Marketing Manager
AT&T Services, Inc.
208 S Akard St
Dallas, TX 75202

AT&T is required by the FCC to provide the following statement:

The FCC will normally authorize this proposed discontinuance of service (or reduction or impairment) unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 30 days after the Commission releases public notice of the proposed discontinuance. You may file your comments electronically through the FCC's Electronic Comment Filing System using the docket number established in the Commission's public notice for this proceeding, or you may address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the section 63.71 Application of Southwestern Bell Telephone Company d/b/a AT&T Arkansas, AT&T Kansas, AT&T Missouri, AT&T Oklahoma, and AT&T Texas; Pacific Bell Telephone Company, d/b/a AT&T California; Illinois Bell Telephone Company d/b/a AT&T Illinois; Indiana Bell Telephone Company d/b/a AT&T Indiana; Michigan Bell Telephone Company d/b/a AT&T Michigan; The Ohio Bell Telephone Company d/b/a AT&T Ohio; Wisconsin Bell, Inc. d/b/a AT&T Wisconsin. Comments should include specific information about the impact of this proposed discontinuation (or reduction or impairment) upon you or your company, including any inability to acquire reasonable substitute service.

Billing Telephone Number(s) with active Network Reconfiguration Service:
